

**Evening Solace  
Charlotte Brontë**

LibriVox volunteers bring you 16 recordings of Evening Solace by Charlotte Brontë.

This was the Fortnightly Poetry project for March 24, 2024.

-----

Charlotte Brontë was an English novelist and poet, the eldest of the three Brontë sisters who survived into adulthood and whose novels became classics of English literature.

This poem is taken from Poems by Currer, Ellis, and Acton Bell. To evade contemporary prejudice against female writers, the Brontë sisters adopted masculine first names. All three retained the first letter of their first names: Charlotte became Currer Bell, Emily became Ellis Bell, and Anne became Acton Bell. - Summary by Wikipedia
